To Palama participants, parents and guardians,

We realize there is concern in the community about COVID-19 and want to assure you that we are taking proper precautions to protect those who come to our campus.

Guidance from the Centers for Disease Control and Prevention and local health officials are being followed, and we have implemented cleaning and disinfecting measures.

Staff and program participants are urged to practice good hygiene and to stay home if not feeling well. We must all be vigilant and be proactive.

Palama Settlement has no present plans to close the campus. All programs will continue as usual. If there should be a change in plans, we will share information and updates immediately.

The health and safety of each of you and your families are our priority.

Should you have any questions, you are always able to communicate with us through one of three ways:

Our website at www.palamasettlement.org

Our main phone line at (808) 845-3945

Our Facebook page at www.facebook.com/malamapalama

Be well and please take care of yourself!

Malama Pono,

Conrad Loui
Executive Director
